

Laura D. Lindberg

The Guttmacher Institute
125 Maiden Lane · New York, NY 10038
(212) 248-1111 · LLindberg@guttmacher.org

EDUCATION

University of Michigan, Ann Arbor, Michigan

Ph.D., Sociology, 1993 Area of Specialization: Demography

University of Michigan, Ann Arbor, Michigan

M.A., Sociology, 1990 15 credit hours in Statistics and Research Design

Princeton University, Princeton, New Jersey

Bachelor of Arts, *Cum Laude*, Woodrow Wilson School of Public and International Affairs, 1988 (now the Princeton School of Public and International Affairs)

PROFESSIONAL EXPERIENCE

The Guttmacher Institute, New York, New York

Principal Research Scientist 2015-present

Senior Research Associate, 2004-2014

Columbia University, Mailman School of Public Health, New York, New York

Senior Lecturer, Heilbrunn Department of Population and Family Health, 2007-present

Abt Associates, Bethesda, Maryland

Senior Research Consultant, Center for Education and Family Services, 2001-2003

The Urban Institute, Washington, DC

Senior Research Associate, Population Studies Center, 2000-2001

Research Associate I, Population Studies Center, 1995-1999

University of Chicago, Chicago, Illinois

NICHD Postdoctoral Fellow, Population Research Center, 1993-1995

AREAS OF SPECIALIZATION

Adolescent Health; Sexual and Reproductive Health; Sexual Behavior; Fertility and Family Formation Behaviors; Survey Design and Measurement

SELECTED INVITED LECTURES

1. Threats to reproductive health and rights during the COVID-19 crisis. Guttmacher Institute national webinar, August 2020.
2. Impact of COVID-19 on reproductive health services. National Family Planning and Reproductive Health Association Membership Webinar, July 2020.

3. Sex Education: Books, Bytes and Beyond. Columbia University Population Research Center Reproductive Health and HIV Conference, October 2019.
4. Quality of abortion reporting in the US and pathways to improvement. Research seminars at Columbia University, Johns Hopkins University and the University of Wisconsin.
5. Completeness of abortion reporting in three national surveys in the United States. Research seminars at University of Maryland Population Research Center, CUNY Institute for Demographic Research, National Center for Health Statistics and National Institute of Health.
6. What journalists should know about teen sexuality and sex education. Education Writers Association National Seminar, May 2019.
7. Is it time to close the books on sex education? Keynote address National Sex Education Conference, December 2017.
8. An update on sex education trends in the United States. Planned Parenthood Federation of America, February 2017.
9. Definition of and trends in dual use in the US. Summit on LARC + Condoms: Creating Momentum for Dual Protection, sponsored by the DC American Sexual Health Association and Planned Parenthood Federation of America, April 2014.
10. Gaps in research about men and unintended pregnancy in the United States. NIH NICHD symposium The 37%: Developing a research agenda for addressing mistimed, unintended, unplanned, unwanted pregnancy in the U.S., June 2013.
11. Understanding trends in teen and young adult sex, contraceptive use, and pregnancy. Planned Parenthood Federation of America, June 2012.
12. National survey of contraceptive knowledge and attitudes among unmarried 18-to-29-year-olds. National Campaign to Prevent Teen pregnancy Research Advisory Panel, June 2009.
13. Where am I going if I'm not going all the way? Non-coital sexual activity among adolescents. Columbia University, Mailman School of Public Health Adolescent Health Seminar, January 2008.

- Co-Chair, Population Association of America Psychosocial Workshop, 2017.
- Office of Population Affairs Expert Work Group on Birth Spacing, 2017.
- Technical Advisory Panel, Office of Adolescent Health Teen Pregnancy Prevention Program, 2016.
- Advisory Committee, National Survey of Family Growth, 2014.
- Federal Forum on Child and Family Statistics, received national service award, 1997-1998.

RESEARCH GRANTS

Current

2018-2023 Co-Investigator, “Improving methods and measures of reproductive health outcomes”
NICHD, National Institute of Health R01HD092396.

2016-2021. Principal Investigator: “Advancing measurement and analysis of sensitive behaviors in the United States”
NICHD, National Institute of Health R01HD084473-01A1.

Completed

2017-2019. Co-Investigator. “Contraceptive Needs and Services.”
Anonymous Donor.

2016-2019. Principal Investigator: “Confidentiality concerns, socioeconomic status and adolescents’ use of reproductive health care”
JPB Foundation.

2016-2019. Principal Investigator: “Two Americas for teens: The role of disadvantage in adolescent sexual and reproductive health”
JPB Foundation.

2013-2018. Co-Investigator: “Guttmacher Center for Population Research Innovation and Dissemination”
NICHD, National Institutes of Health R24HD074034-01A1.

2013-2017. Co-Investigator: “US surveillance: Unintended pregnancy at the state level, 2013 and 2016”
Anonymous Donor.

2013-2017. Co-Investigator: “US surveillance: National and state estimates of teen Pregnancy”
Anonymous Donor.

2015-2016. Principal Investigator: “Cross-sectional survey on contraceptive coverage”
JPB Foundation.

2012-2015. Co-Investigator: “Identifying pathways to improve contraceptive use: A longitudinal study”
JPB Foundation.

2011-2015. Co-Investigator: “Advancing research on the consequences of unintended childbearing”
NICHD, National Institutes of Health, R01HD068433-02.

2011-2014: Co-Investigator: “An evidence base for action: Tracking the state of the nation’s reproductive health”
Anonymous Donor.

2009-2014. Co-Investigator: “Measuring and explaining unintended pregnancy in the United States, 1987- 2009”
NICHD, National Institutes of Health, R01HD059896-01-A1.

2009-2014. Co-Investigator: “Meeting 21st century family planning challenges with an evidence-based approach”
Office of Population Affairs, HHS.

2011-2012. Principal Investigator: “New estimates of pregnancy intentions”
National Campaign to Prevent Teen and Unplanned Pregnancy.

2010-2012. Co-Investigator: “Adolescent pregnancy analysis”
California Wellness Foundation.

2009-2011. Principal Investigator: “Adolescent pregnancy”
Annie E. Casey Foundation.

2009-2010. Principal Investigator: “Health behaviors of women in the military”
The Wallace Alexander Gerbode Foundation.

2007-2010. Principal Investigator: “Couples based family planning services”
Office of Population Affairs, HHS.

2006-2009. Co-Investigator: “Assessing reproductive & contraceptive knowledge and beliefs among unmarried young adult”
National Campaign to Prevent Teen and Unplanned Pregnancy.

2004-2009. Co-Investigator: “Family planning needs and services in the United States”
Office of Population Affairs, HHS.

2007-2008. Co-Investigator: “Validating and extending the pregnancy risk index”
Hewlett Foundation.

1999-2002. Co-Investigator: “Longitudinal patterns of young men’s AIDS risk behaviors”
National Institute of Child Health and Human Development, NIH.

1999-2001. Principal Investigator: “Follow-up to clustering of risk behaviors among youth”
Office of the Assistant Secretary of Planning and Evaluation, HHS.

1997-2001. Co-Investigator: “Sex education among American males”
The Charles Stewart Mott Foundation.

1998-1999. Principal Investigator: “Clustering of risk behaviors among youth.”
Office of the Assistant Secretary of Planning and Evaluation, HHS.

1997-1999. Co-Investigator: “Reproductive health outreach to young males.”
Office of Population Affairs, HHS.

1996-1999. Co-Investigator: “Prevalence and correlates of sexually transmitted diseases among young males”
NICHD, NIH R01HD30861.
