

FIGURE 5.1

**Most teachers who cover sexuality education have received some pre-service training.**

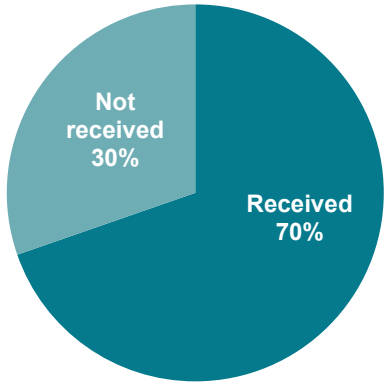

FIGURE 5.2

**Fewer than half of teachers who cover sexuality education have received in-service training.**

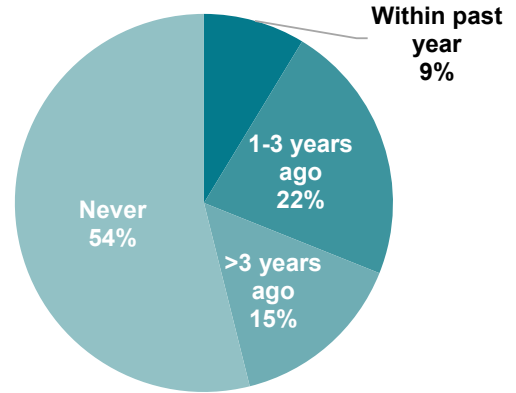

FIGURE 5.3

**Teachers report needing additional assistance to teach sexuality education.**

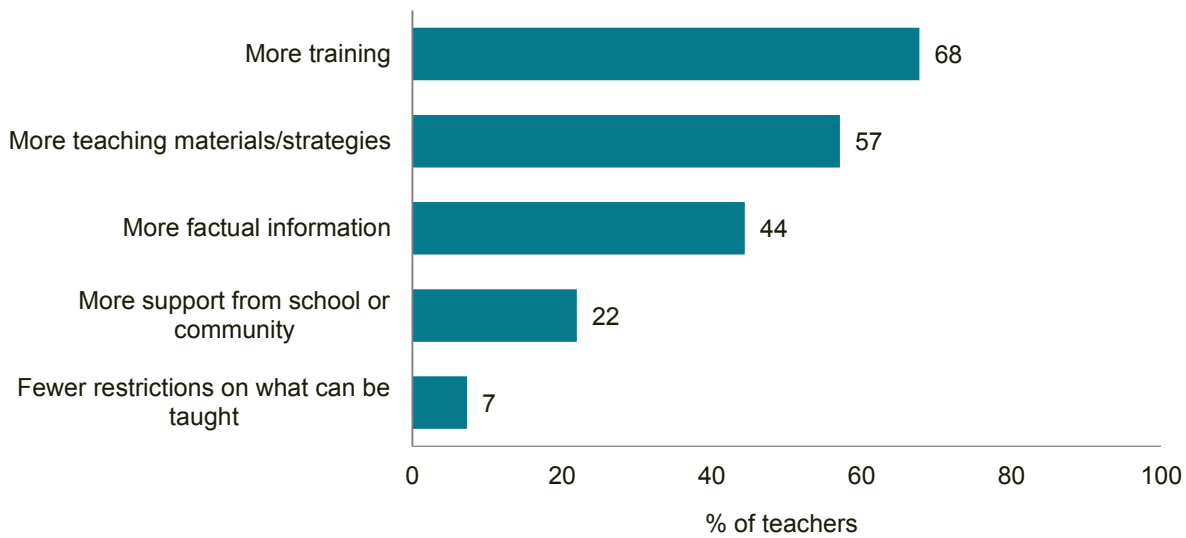

FIGURE 5.4

**Teachers report needing more assistance to teach certain topics more effectively.**

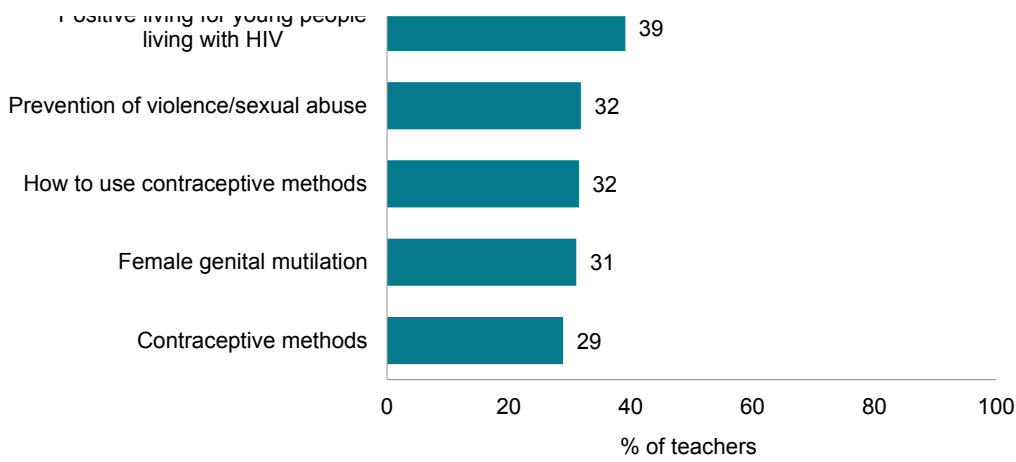

FIGURE 5.5

**The majority of teachers think principals are very supportive.**

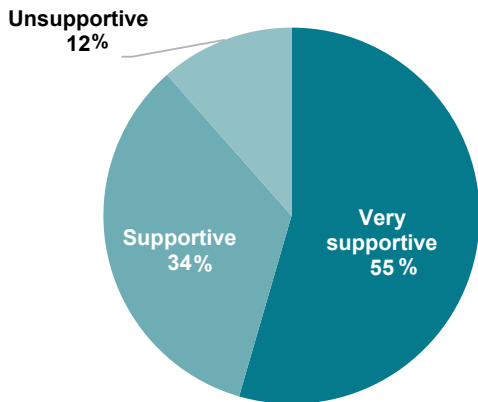

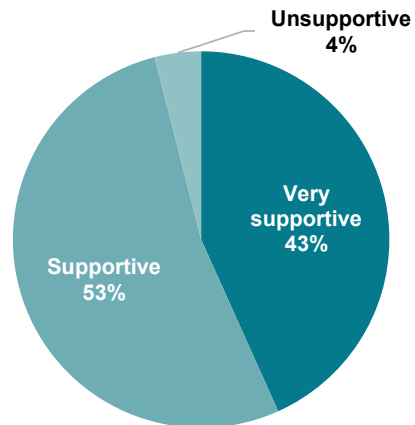

FIGURE 5.6

**The majority of teachers think other teachers are supportive.**

Note: Percentages do not add to 100 because of rounding.

FIGURE 5.7

**Teachers think parents are less supportive than principals or other teachers.**
